47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Hi FCC,

I know you. You work for me (through that infuriating middleman called elected officials). Not sure why you'd want to use economical forces to prop up your favorite corporations when companies with greater innovation, greater local impact and exceptional customer service exist..

I have enjoyed state of the art internet services in a small northern Calif. town for over 20 years (currently with fiber to the premise) and have been with and will remain with Sonic.net in spite of the lesser offers of bundling from your apparent favorites.

You guys kinda suck these days with your efforts to direct my choices.

Sincerely,

Robert Dvorak
